

Quality Forms is happy to announce the sale of our Business Forms Division to Highland Computer Forms! Since the closing of Quality Forms on 12/31/22, we have received many calls concerning the sourcing of orders we have produced in the past. We have been diligently looking for the best fit to provide the same quality and service you have always received from Quality Forms. We wholeheartedly believe we have found that in Highland Computer Forms. As of 03/27/23, HCF will have access to all artwork and samples from your previous orders. Noah Jones will be handling the Quality Forms accounts moving forward. He can be reached at [noah@hcf.com](mailto:noah@hcf.com), or 800-669-5213 (ext.333).

HCF is a trade only forms manufacturer producing quality product since 1979. They are headquartered in Hillsboro, Ohio and have one additional location in Angola, Indiana. Both locations are ready and eager to produce the jobs we have previously produced. Their strong focus on customer service will allow this transition to be as seamless as possible.

Here at Quality Forms we would like to thank you for your past business, and HCF looks forward to serving your needs in the future!

All the best,
